

JOB Posting: CW19-006

WEEKEND SECURITY

ContainerWorld is British Columbia's premier logistics provider for the beverage industry; a local, privately owned company with approximately 400 employees throughout its five facilities. We are a state of the art forwarding, warehousing and distribution Company. ContainerWorld actively supports Lean Six Sigma concepts.

ContainerWorld has an immediate opportunity as our Inhouse Yard and Compliance Auditor. Our operation is open 24 hours.

Hours: Saturday & Sundays 5:00am to 1:30pm

Position Overview:

Works under general supervision from the Manager, monitors and enforces yard access controls, badge control by using video review, CCTV monitoring and remote compliance audits. Position will assist Manager with investigations when required.

Key Responsibilities:

- Manage yard access and validate all entries/exits
- Live monitoring of warehouse and yard
- Badge control
- Conduct compliance audits
- Enforce company policies through appropriate channels
- Assist in Investigations as needed
- Cover Occupational First Aid as required
- Cover vacation as required
- Other security related duties as assigned

Required Qualifications and Competencies:

- Valid security license is a must
- Excellent verbal and written communication skills.
- Must be able to learn internal programs and processes swiftly.
- Must have an eye for details.
- Must be able to work in a fast pace environment with a calm demeanor.
- Excellent knowledge of Microsoft programs. Excel, Word, Outlook
- Valid OFA2 certification is an asset
- 1 year experience in the security/LPO industry is preferred.

HOW TO APPLY

Interested applicants should submit their resume and cover letter to careers@containerworld.com.

We thank all applicants for their interest; however, only those selected for an interview will be contacted
